

Member Energy Survey

Please complete this survey about energy saving steps in your home and leave in the pew after church.

This information will be used in a presentation by Pam McVety, Stewardship of Creation Enabler, Presbytery of Florida for a workshop in Texas at the national Presbyterian eco-justice workshop in October.

Have you done any of the following?

1. Yes__ No__ Installed compact fluorescent light bulbs in your home?
2. About how many? _____
3. Yes__ No__ Raised/lowered your thermostat settings to 78 degrees in the summer and 68 degrees in the winter?
4. Yes__ No__ Installed a programmable thermostat?
5. Yes__ No__ Lowered the temperature on your hot water heater
6. Yes__ No__ Wrapped it with insulation?
7. Yes__ No__ Taken shorter showers and encouraged other family members to do so?
8. Yes__ No__ Turn the lights off when you leave a room?
9. Yes__ No__ Increased your recycling?
10. Yes__ No__ Combined errands to reduce mileage?
11. Yes__ No__ Purchased a car that gets better gas mileage?
12. Yes__ No__ Purchased a hybrid vehicle? If yes, what make?

13. Yes__ No__ Installed solar panels?
14. Yes__ No__ Implemented other energy saving strategies such as closing drapes/shades, replacing windows, installing a more energy efficient appliance, etc?
15. If yes, what?

16. Yes__ No__ Have you heard about the concept of going carbon neutral?
17. Yes__ No__ Is your family carbon neutral?
18. Yes__ No__ Would you like to know more about how to go carbon neutral? If yes, please contact Pam McVety at mcvety@nettally.com.
19. Yes__ No__ Have you talked with your children, relatives or neighbors about reducing energy usage?
20. Yes__ No__

Thank you very much for completing this survey.
